

CROP FARMERS MARKET & FARM EVENTS SPONSORSHIP

Hello Neighbor,

CROP Farmers Market and Farm Events is your local farmers market dedicated to offering the freshest produce and products. We are planning this year's market, and we would like to include you and your local business. CROP Farmers Market will be open for business Saturdays this summer June 5 through September 25 from 10:00 AM to 2:00 PM at Stryker Park in Prineville.

We would like to offer you the opportunity to join with us to ensure the sustainability of the CROP Farmers Market and help make it a cornerstone of our community in the growing city of Prineville for years to come. We depend on our sponsors to help us advertise our presence and provide logistical support for the Market by helping us fund the Market Manager's contract.

Sponsors support local farm businesses by enhancing our presence in the community and increasing dollars spent on market days and beyond. CROP has a great local multiplier effect, as dollars spent in local farmers markets circulate within the community longer and generate additional revenues.

Partnering with CROP Farmers Market provides:

- Fresh, nutritious, locally grown food at reasonable prices.
- A healthy environment where you can connect with neighbors and support local economies.
- Learning opportunities for community members to be aware of how local food is produced.
