

# CROP FARMERS MARKET

## Sponsorship levels

### CHICKEN \$100

Your name will be featured in the chicken tier on our vinyl Sponsor Poster.

### PIG \$300

Your business name will be featured in the PIG tier on our vinyl Sponsor Poster and on our website with a link to your business and social media page of your choice. You can display brochures/literature at the CROP booth during the month of your choice.

### COW \$500

Your business name will be featured prominently in the COW tier on our vinyl Sponsor Poster and placed on our website with a link to your business and social media page of your choice. Your business will be featured individually in a social media post on CROP's page. You may pick a Market day to represent your business in person with complimentary booth space.

### BARNYARD \$1000

You get all of the above as well as a booth at the market one time each month.

# CROP FARMERS MARKET

Hello neighbor,

CROP Farmers Market and Farm Events is your local farmers market dedicated to offering the freshest produce and artisan products. We are planning this year's market , and would like to include you and your local business. CROP Farmers Market will be open for business the first Saturday in June through the last Saturday in September from 9:00 AM to 1:00 PM at Stryker Park in Prineville.

We would like to offer you the opportunity to join with us to ensure the sustainability of the CROP Farmers Market and help make it a cornerstone of our community in the growing city of prineville for years to come. We depend on our sponsors to help us advertise our presence and provide logistical support for the Market by helping us fund the Market Manager's contract.

Sponsor support local farm businesses by enhancing our presence in the community and increasing dollars spent on market days and beyond. CROP has a great multiplier effect, as dollars spent in local farmers markets circulate within the community longer and generate additional revenues.

Partnering with CROP Farmers Market provides:

- Fresh, nutritious, locally grown food at reasonable prices.

- A healthy environment where you can connect with neighbors and support local economies.

- Learning opportunities for community members to be aware of how local food is produced.
